

Welcome back.

By booking a table with us, you have acknowledged, to the best of your ability, that you, or anyone in your booking has not shown signs of COVID19 in the past 14 days. If you have experienced symptoms within 14 days please do not proceed with this booking.

We have ensured we comply with government guidelines on reopening. We have implemented the following to keep our staff and customers safe:-

- Bookings essential (visit www.sqdining.co.uk)
- One way system (queue from bar entrance and exit from main restaurant). Please wait to be seated by a member of staff
- Regular deep cleaning
- Table and chair configuration has been adapted to comply with social distancing regulations.
- Order from your table (using SQ App or on website www.sqdining.co.uk). There will be NO BAR SERVICE. Drinks and food will be delivered to your table.
- Card or App payment where table service.
- One in One out toilets
- No standing inside
- Reduced menu to keep our team safe and fewer people in the kitchen

Under current government regulations, only members from 2 households can meet inside SQ. We have taken the view that the maximum table for the time being is 8. **PLEASE DO NOT** put us in the position where we know you have not complied with this government regulation. Tables outside on the terrace can be booked for a maximum of 6 people.

We have a responsibility to ensure that patrons observe social distancing guidelines for our patrons and our staff's safety. We don't want to be 'party poopers' as we appreciate that people will be excited to see each other and alcohol may increase that excitement but we take the risk of spreading COVID19 very seriously. We have decided to operate a 3 strikes policy for those who do not comply with this policy.

Examples of behaviour that **WILL NOT** be accepted include:-

- Shouting across the restaurant to others
- Moving furniture to accommodate your party (we have ensured all furniture is correctly socially distanced)
- Tables with more than 8 people
- Moving to different tables because you see someone you know

Thank you for reading and we cannot wait to welcome you back.
